“ Lana, was a very sweet and kind lady with a wonderful smile. She and I would say us "Yankee's" have to stick together then laugh and hug each other. So glad our God put her in my life's path, even for a short period of time. She will truly be missed!

*I've known Lana for so many years and was saddened when I heard of her passing. She was quite a lady, and friends of many. Her family was her priority. She was so proud of her children and grandchildren. She was a friend you could trust and had such love for all. We know how she longed for the love of her life..... and how she said they would meet again. All I can say is I bet "Bobby" had both arms reaching for her as she entered those gates. 😊
Soar high my friend 💕💕*
