“ My sincerest condolences to your family on the loss of your loved one. I only knew him by the name of ""Larry"", because my daughter and I were the two nurses who pulled him from his van and did CPR until the paramedics arrived. We had heard that he was transferred to Huntsville Hospital later that night. I am so very sorry that he didn't make it. My heart goes out to you, and I pray that the Lord will give you peace in this painful time. Sincerely, Kim Jones
