“ *I am not listed with her biological children but she was my mom. She was the best mom that I had. I will never forget her smile, laugh and the beautiful songs that she would sing to me. I know there were many days where she probably preferred I go home but she never showed it. She always took me and made me feel like one of the family. I love her so much for that. Fun fact- I am even in their formal family portrait. That's how wonderful she was. I am happy that she is with Karen now but sad that she isn't here with the rest of her family. I feel very blessed to have visited with her recently. I will always love you Linda. Nina Race*
