“ Our family, Billy Joe Aycock and Mary Aycock , did business with McCulloch Appliances all our married life which was almost 55 years. They always treated us like family. They were always great to do business with. Always ready to help with our needs. Claude and Margaret Ay cock(Bills Parents) did business with Lucian until he passed away. They always spoke highly of the McCulloch s. We have truly missed their dedicated service from Lucian and also from Mack and Pam. Still miss them!!!!!!!!!!

Got to know Buck thru the store and his love got Alabama football. I sold him a few championship Case knives. Enjoyed his friendship and his business and repair of my appliances.

“ My sympathies to the family. Mack came to our house once and fixed our refrigerator. But my dad, Jim Duncan, knew the McCullochs well and we bought all our appliances from the store, back to the early 1960s. May God comfort you.
