“Joyce, Maben and Anthony we offer our deepest sympathies to you and all of your family. Maben was a wonderful man who loved his family deeply. He loved his Lord too first and foremost. I spoke with him a month ago and he told me God was in total control and everything would be alright. We don't know why these things happen but we have to put our faith and trust in God and He will see us through. I am so very sorry we cannot be with you during this difficult time but just know we are here for you in our hearts and in prayer for all of you. We love you all.
