“ We were neighbors of Hugh and Peggy for 1 1/2 years in Decatur,AL. Earlier Jones' did not understand our Indian accent, but they were very kind, loving, caring and always offered to help. They treated us like their own family. Peggy liked to talk about anything from Obama to India , about her family and our family, her growing up and how to raise children and offcourse Pixie Sue. She and Hugh supported us immensely through our difficult times as we had to move rather quickly and unwillingly. We knew this day would come one day. We pray to God that she is resting peacefully now and Hugh, Sheryl, Jeani and Pixie are staying strong at this time. We will always miss you Peggy and you are very close to us in our hearts!Shloka and Anand want to give you a special hug and a kiss .

“ The best thing that happened to us when we moved to Amberly Lane was having Hugh and Peggy as our next door neighbor. First, they don't mind smelling whatever came out of our kitchen hood. They were not afraid to sample the food I brought them. Secondly, the noise produced by my children don't seem to annoy them. And finally they welcome us whenever we popped-up in their backyard. We loved watching the hummingbirds. Since my mom is in the Philippines, Peggy was like my second mom. When I was in quandary I always asked for her advise. She was so practical. Her wealth of knowledge helped me a lot. I was sad leaving them when we have to move again. I wish I could pack them as well. Being a true friends, Hugh and Peggy took care of our house while it was in the market. I can't thank them enough. Last year when we visited them I felt sad because I was afraid I won't see her again. She was so brave and strong. She made our visit so pleasant. I'll miss her very much. Hugh, Jeanine and Sheryl, we wish you peace to bring comfort, courage to face the days ahead, and loving memories to forever hold in your hearts.

“ When Peggy walked up my driveway with her PixieSue she walked into my life and my heart. Walking our dogs together a few times a week in the park was a wonderful time for me and my dog Molly. I loved getting to know Peggy, listening to the stories of her life, her marriage to her Hughie and about her two beautiful girls. She brought much happiness to me and Molly. I will miss our phone calls and her emails, I loved the way she wrote and told her so. She will forever be in my heart. Praying for Hugh and their girls, may God wrap his arms around them and give them comfort.

“ We met Hugh and Peggy when we bought their house in Foley. We knew right away that this house had been blessed by their lives. We sat at the dinette table and shared our lives over coffee. What a delight Peggy was as she shared about their two lovely daughters and her reason for wanting to move closer to them. Even though we didn't move in for two years, we did some remodeling and have enjoyed living here for 5 years. All this time we have kept in touch via email and Peggy was always sending something funny or cute. We will definitely miss her along with so many. It was easy to see how they stayed married for 56 years. Their love for one another was so evident. We also knew right away they were believers in the Lord Jesus. Since we are also, it made our relationship click right away. We pray for peace and strength for Hugh and his daughters.
