“ *Manuel and Gloria, just happened to learn of this and wanted to send condolences and prayers! The times I visited you all at your home are wonderful memories for me, and I especially remember Maria's friendly smile, the wave of her hand and saying "Ola" to me and then trying to get me to return the greeting in Spanish. And I remember so well the wonderful meal she prepared when y'all invited me over for dinner that once. Great memories of your dad too sharing our love for music and him turning me on to great music from Spain. So sorry for your loss! Sending prayers and wishing you all the best...Larry Smith.*
