“ *1st cousins - 1st friends! I adored Marla. I looked up to her for as long as I can remember. The spend the nights, the 4th of Julys, the CHRISTMAS eves! Such wonderful memories. We talked the day before her surgery. It wasn't suppose to go this way. I am thankful that God took her home and the suffering stopped but I miss her so much! Praying for my family.*

“ *Marla and I worked together for many years. She was the first person that a cancer patient saw when they came into the Oncology Center, and Marla's smile and joyous greeting and true concern made every single patient feel 100% better. I shall always remember that smile and the happy, kind laugh. And, Notan, David, and Jordan...she surely did love her "boys."*
