“*Uncle Copeland, Donna and Debbie, I am so very sorry for your lose. Wishing we could be there to share this time with you. There are so many great memories to share and cherish forever. Aunt Mary will forever be in our hearts. I had the rare experience of two of my aunts from different sides of the family to be life long friends, which brought two families together even more. Love you Aunt Mary, what a blessing it will be when we met again one day. Give my dad a hug when you see him.*”

“ Growing up with Aunt Mary always meant hugs, smiles and love. My Dads sister and my Moms friend as well as her sister-in-law. Aunt Mary had my grandma's kind heart and sweetness, she has passed that on to my cousins Donna and Debbie who are continuing the family tradition by passing it on to their children. The Cantrell family is filled with love, I am proud to be their family. Aunt Mary will be watching over all of you so live your life, continue to make her as proud as you always have she will be smiling (and most likely bragging)! Love and hugs, Ellen Akin
