“ She was a beautiful lady who always had a smile and a warm heart. I was closest in age to daughters Reba and Pam as we went to school together and had been friends for many years.

*I have been close friends with Mary Seals granddaughters (Amy & Joey) for more than two decades. She was always very kind and welcoming towards me each and every time I was blessed to be in her presence. She was a joy to be around and so easy to talk to. Countless conversations on her lovely front porch. I was at her home with Joey about 3 weeks ago, which was the last time I saw her. I am going to miss her more than words can describe.*
