“ I have such happy memories of Mary when she visited Mumsie during her growing up years and of being allowed to visit in Decatur with Janey when I was almost 10. These memories continued. Mary sent me some of her Baby stuff when I was pregnant with Allyson which I used for my three very close kids. Shortly after Morris's birth I had to send it all back as Mary needed it again for Jeff. As time passed, you all stopped by to see my mother (Aunt Merle) when you came through Dothan on your way to the beach. Jeff and Morris visited each other and we kept up with all the busy families. Somehow these last few years we've lost touch. I'd surely like to reconnect. Mother died in 2007, Roy in 2011, Bobby's wife in 2013 (he remarried this morning - Happy Day). Buren died a year or two before Roy leaving Janey a widow also. We see each other often. My heart and hers go out to each of you. Please know we love you and are thinking of you and praying for you at this tough time. Love,
