“ GIN, we made beautiful memories growing up together, more like sisters than cousins and as we said our 'See you later" I told you that you were leaving but you would live in my heart forever and there you will be. To Bobby and her family, I want each of you to know how much she gave to others. He deep love and service to her Savior ministered to myself and to many. She had the wonderful gift of praying and singing to soothe those that she prayed over, including myself. Her prayers were not just words but words that made you feel the very presence of God,giving you the peace, comfort and love to calm whatever storm that you were in. Ginger will always be remembered as a true christian lady and you can be proud of the path and of her journey through life and know that , PRAISE GOD SHE IS AT HOME Douglas Ann "{Doug"
