“ Only in the last few years was I privileged to know Mattie. She welcomed me as if I had always been a part of her family. Once I remarked how soft her skin felt and before we left she brought me the same lotion she used. That's just how she was, kind and generous. She had a great laugh and she did a lot of laughing. Mattie made you feel so comfortable and happy in her presence. We felt her love as much as we loved her. Dear Mattie will be missed by many but she will be in our memories forever and she will have a special place in my heart.

Dear Preston and family,
My deepest sympathies for the passing of Mattie. Mattie was the kindest,caring and most fun person. She also took great care of our family when we visited. Mattie will be missed greatly by many and we will have wonderful thoughts concerning the person she was to us all.
Mattie spoke fondly of Jesus.
