“ *When I was young and we would be on our way to Alabama from Michigan, I would get so excited. Milton & Shirley were always the first that I would run to and visit and a big reason for all of that excitement! Milton was everyone's favorite uncle! I have so many great memories that I will carry the rest of my life and perhaps some day visit and share with Krystal and her children. It really bothers me that I wasn't able to get down and visit him before he passed, but I did speak with him on the phone and was able to express that I loved and cared for him. It gives me comfort knowing that he'll be joining Shirley, Granny, my dad and all those other loved ones whom have passed before him! Krystal, My heart goes out to you, If you need to talk, please call me at 248-820-0587. I love you and your always in my prayers. Love, Allen XOXO*
