“ John so sorry to hear about Mirianelle. Had no idea she was sick. I know she will be missed dearly by you and her children. You two were so blessed to have each other. High school sweethearts till death do we part (that's something to be proud of these days). I remember all the fun times we had in school and circling the Dairy Queen and Frosty Freeze (stopping to say hello to you guys. Great times and great memories (keep all her memories close to your heart. Again so sorry for your loss. Harriett
