“ Wayne, I share my deepest sympathies with you a loving, devoted husband and grandfather. It was obvious you loved Monica with a deep and lasting love. You extend that same love to her son and your grandchildren. You were a special couple. Dianne and I will never forget what good neighbors we had in you those wonderful years on Leslie Street, the vegetable you shared out of your garden, and the fun time we had on your jet ski that day. The kids, Lauren and Joshua, especially loved riding it. Since I moved, I have thought of you often with memories of good times and even visited a few times. My prayers will literally be with you and your family in the coming days and weeks ahead as you go about life without your soulmate. With heartfelt sympathy, Tony Martin
