“ *Dear Debbie and Connie, I am so sorry to hear of your Mother's passing. I always loved visiting with her at her shop. She and I would talk about kids, marriages and of course our health problems. I wish that I could have come to the visitation, but please know that you have been in my thoughts and prayers. I know that she was in bad health for sometime and now she is at peace. Hopefully, your memories will sustain you. God Bless each of you.*

“ *Debbie, so sorry to hear of your Mom's passing. May God be with you and your family during this time of great loss. You know I remember when I would spend the night with you and of course we would be mischievious, then we'd hear you Mom say DEBORAH!!! I knew then when she called your full name we had done something wrong. Your Mom was a spirited, life-loving individual that cared deeply for her girls. That's how I will always remember her. Again my thoughts go out to you and your family during this time. Wish I could be there for support. Just know I am here if you need to talk.*
