“ So very sorry to hear of the loss of my friend, Murray. What a great guy! For more than 15 years we served the state together as law officers, and continued our friendship after he retired, and then after I then retired, as well. Fellow Army paratrooper, respected and revered fellow officer, beloved member of our community, and just a fine, fine man -- you were taken from us too soon, Murray. You will be missed. “ I knew my cousin Murray as someone who I admired. He was honest, loyal, and someone who was always there for his family. Mostly what I remember about all of my Millwee cousins is their wonderful storytelling ability, and Murray told some pretty good stories. Even as an adult, he would have me totally captivated by the seriousness of what he was saying and out of nowhere he would throw in this zinger. He was truly a talented story teller and I loved listening to him reminisce about ol Granddaddy Evans. I am going to miss your stories Murray and the way you made me feel safe even when things were a little scary. I will miss you and I dearly regret that we did not have the opportunity to spend more time together. Love always and forever your cousin, Melanie Motlow-Newhall
