“ I am so sorry to hear about your precious little Palmer . Unless a person has lost a child it is hard to understand what you are going through. Jehovah understands the pain you must feel because the son who was with him before all things were formed came to earth and died. And for three days he could not communicate with him but just as he resurrected him from the dead he will soon resurrect all those in the the memorial tombs to live again. (John 5:28 29, Colossians 1:15 16, John 19:33-42) this is the hope that the Bible holds out. You can find out more about this hope at jw.org
