“ So sorry for your loss...my typing and my mind don't move at the same speed! Many childhood memories of Sunday afternoons after church playing at your house or doing homework at my house while waiting on piano lessons. Your mom was always so kind. Love you!

“ Dear Family, I am so sorry for your loss. Jayne was one of the kindest people I have ever known. She was a faithful Visiting Teacher, and really cared about me. She became a good friend, and I will miss her very much. I really look forward to seeing Jayne again on the other side of the veil. I wish I could give her just one more hug. I hope her little dog is doing okay. May God comfort you in your grief.

“*Margie, the lost of your mother is devastating I know, but be comforted in knowing that she is in God's hands now and she's fine. Her spirit will live on in the lives of people she touched while she was here. I know she touched my life in a very special way. She was a good friend and neighbor to me & my husband. I don't know how long it will take me to forget not to look for her and the dogs walking down the street. God Bless and Keep You, Willia*
