“ Patrick helped and guided me on my first ""official"" work day at my new job, and I'll always remember and be grateful for that. I didn't know him particularly well, but I could tell that he was friendly and easy-going, and judging by the quality of his friends and the love that they have for him, I know it to be true. Know that we all loved and cared for Patrick, and that mine - and many, many others' - support will always be there for your family if you want it. Take care.

“ Dear Sutton Family, My heart breaks for all of you with the loss of Patrick. In one of our conversations, Patrick spoke of how blessed he was to have such a wonderful loving family and how special his sister, Sara, was to him.

I will always remember my last conversation with Patrick. It was of our love for our kitties and how much they meant to each of us, as if they were our children; as we shared pictures on our cell phones. I found Patrick to be such a kind, gentle soul. Know that he will be remembered and missed by all those, whose lives he touched. My thoughts and prayers will be with all of the Sutton family, during this deeply sorrowful time. I pray that the grace of God shower you with comfort now and always. Most Sincerely, Alicia Krzyzewski WFM Team Member

“ To the Sutton Family, There are no words to comfort you in this time of loss. I wish to express my sympathy, but I'm not exactly sure that to say. I would like you to know Patrick was my partner and my team mate. The time we spent training for this experience is one that I will always remember. I pray for you and I pray that his memory will live on. He will not be forgotten...
