“ I was so sad to hear of Phillips passing. Everything seemed to be going so well for him. I'm afraid that the complications at the end were just too much for his body. I will truly miss Phillip and his wit. My deepest condolences to Ginger, Carolyn, Ray and their families. He put up a good fight but now he is at peace. I wish peace for all of you also. “ I worked with Phil for many years at 3M Decatur. The years since 1996 were the most memorable for many reasons, but mostly because we had fun. He was one of the smartest guys I have known at 3M. We have maintained some contact after retirement and I will truly miss him. My prayers are with his family.

“ I worked with Phil for 33 years and always considered him my friend. He was excellent at his profession and an absolute delight to share a golf cart with as we attempted unsuccessfully to master the game. I regret I will not be able to return to Decatur for the services tomorrow. Our thoughts and prayers will be with you. Robert & Yvonne Williams Auburn, AL
