“ *My mother. The most giving woman I have ever known. She was the best Mom ever. Her family was the most important thing to her. She raised my brother and I, along with all 3 grandchildren, Jessica Kate Kittrell, Alexandra Lynn Smith Woodham, and Victoria Lane Smith. How one woman could do this and work a full time job, while battling cancer since 2007 is beyond me. But, she did just this and wanted to. She amazed me then and still does. Even while sick the last month, she never complained and made it so easy to take care of her. This woman, Regina Gail Evans Smith Rolleston, is a Proverbs 31 woman and a woman I gladly call Mom. I love you forever, Mom.*
