“ *God speed my Brother as you make your heavenly route and secure your external home. You will be missed. We loved and respected you for such a caring life. Your determination to stand for what is right was a unique and valuable treasure. Heaven has gotten better just by your presence. Thanks for all you did whether a small act of caring or a strong stand against an injustice. So long and now I pray you can find the blessings you richly deserve.* ”

“ *Wow!!! All the memories of Bobby. Bobby loved helping people. He was so helpful to our family when Dad lost his ability to drive. He would pick Dad up to take him to their Sunday school socials so that Dad wouldn't miss them. He was very kind. Our prayers will be with the family during this time.*
