“ I am so so sorry to hear of Bob's passing. There were many good times shared with him and June and our family. He was so kind and I appreciate the love and support that he gave to June. He was also so gentle and sweet with my children and treated them as if they were his own grandchildren. Bob was like a grandfather to Alivia, as she was born after Jim passed. I remember when Alivia was just a toddler. we took a trip with June and Bob to the beach. Alivia did not care much for the sand, so she would take shelter with Bob away from the heat and they would play for hours. She would call him ""myBob"". I will remember his robust laughter and his willingness to help others and keep peace. We were blessed to have him as part of our family. Bob you will be greatly missed by us all. Love to all, Susan Matthews Jones
