“ My memories of Bob go way back to the mid 60's. We were both single at that time and spent a lot of time and well known on Hawthorne Blvd In California. We were both members of T-Timers of Inglewood, CA (a law abiding car club). We used to go to Lion's Drag Strip and we both laughed at a time that Bob was racing my car. He was concerned to make a good time and trying to make sure he was in 1st gear at the starting line. When the light turned "green" he revved it up and popped the clutch and guess what?He was in reverse. Should have heated the crowd. I cherish the time I was able to spend with Bob over our lifetime. I particularly enjoyed the few days I spent Bob and Donna in 2014 when I came a few days early for a business trip and he gave me the Grand Tour of Decatur and surrounding country. Bob and Donna followed me back to Nashville and we Had a great dinner and time touring downtown Bob, I love the time we spent together and the memories will be with me always. Be with God always

“ Thank you to everyone who has reached out via text,phone, or social media. My dad enjoyed nascar, roll-tide football, and a good steak. RIP dad....John 10:27-29" My sheep hear my voice, and I know them, and they follow me. I give them eternal life, and they will never perish, and no one will snatch them out of my hand. My Father, who has given them to me, is greater than all, and no one is able to snatch them out of the Father's hand."
