“ Although it has been a while since I seen you all, my heard is heavy with sadness, as I remember those childhood memories of you all being our neighbors, at Sweet Springs. Those memories, I will forever cherish, as I continue my journey through life...little did we know, that God would call Brent home so soon. I just found out today, (March 19th), and I am still in shock. I would like for all of your family to know that you all, Mr. Junior and Monica, as well as the rest of your extended families, are in my deepest thoughts and prayers, at this time, with the peace of knowing that we all, will indeed see each other again!! May God's cloak of comfort surround you all. May God Bless you all!! ~Regina ""Gina Jones""

We are all friends from GE and we knew he had been sick. We will greatly miss him. He was a funny funny man and a great friend who never seemed to be unhappy. We will always remember and miss him. “ *Brent's granddaddy-Grady Shelton and my Dad Charlie Edgar Eckstein were first cousins. As a young girl I would go home with Barbara Shelton and go over to see Monica and then baby Brent. Josephine and Junior would let me hold Brent some. Just arrived home tonight from a trip and got the news. Asking God to give you the peace that passes all understanding. You are not forgotten in my prayers to the Father. In Christ,angie*
