“ *Ronnie and I met while he worked at my Mom and step dads store about 1982 (Legg's Hwy 67 Grocery) He became my best friend right away. Although I was from California it didn't matter to him because we were that close. Fishing, and drinking beverages we probably shouldn't have been drinking, laughing and dealing with any problems our family or friends had. Greatest dude from Alabama I will ever have had the honor to call my friend. I will miss him forever! Roll Tide Bro!*
