“ As a teen I spent quite a bit of time at Buck and Carolyn's home. The things I learned from him cannot be numbered.....some of which I still follow today. He was genuine, godly, faithful, exhibited the highest level of character and integrity, meant what he said & said what he meant, showed kindness & love, and stood for what was right whether politically correct or popular. It has been my honor and privilege to have known him. Thank you Buck for making a difference in my life!

“ *Buck was the neighbor everyone wished for. If he could lend a hand he did so joyfully. He loved his yard and tended to it faithfully.....and it showed! He will truly be missed! Carolyn, you and the family have our heartfelt sympathy.*
