Tribute Wall

“ Steve and Ken, We are so sorry for your loss. Shelva was a beautiful woman, inside and outside. She was so caring and giving. She kept in touch for a long time and wanted to know all about James Michael and for that I am forever thankful. It gave us an opportunity to reconnect. I know that she went through those gates laughing and rejoicing as she made a beeline to Nancy and Melba. They were all so very, very close! I pray God holds your hands through this and helps you throughout the tough days to come. We love you very much!
