“ I am so sorry for your loss. Thalia was the kindest person with a wonderful heart for others. She adored her family. We shared many happy times when you girls were young. Your mom was so proud of you! What a privilege to have called her a friend!

“ We are so in shock from losing such a great friend of ours and the community. She definitely was a light to our family as we attended Cave Springs Baptist Church and always treated us like family. I am praying for your family and feel truly blessed to have known such a remarkable woman.
