“ *Tim, you took part of the sunshine when you left. I know that you are in Heaven and your children miss you. The road has been a lonely journey for them since you left. Please let them know that you will all be together again. You left a vacancy that can't be filled!*

“ *I knew Tim as a young man. He was a wonderful, kind, caring young man. He spent many hours at our home and was a good friend to our son and daughter. We loved him deeply. Sadly, we lost contact with Tim many years ago as he grew and moved on....We have so many happy memories of Tim. Thoughts of him, will always be a cherished memory. With a heart that is broken, my Sincere sympathy to all who love and cherish Tim. Especially his children, wife and parents. With love*
