“ *Dear Woody, Traci and Chuck, I have lost a very dear friend, Sharon and I spent many days talking and having coffee together. She spoke dearly of you and talked often of her family. I am so sorry she is gone, but now has wings and is free from any suffering. Woody, I still have the church you made me with the red roof and think of you and Sharon when I look at it. Take care and blessings and prayers to you all.*
