“ On behalf of the Smith family, we are so sad to hear of Vic's passing. He was a close friend of my parents, Berkeley and Mary Scott Smith of Lillian, Alabama. I can remember many times, over the years, when Vic would come to visit and we always enjoyed him immensely. What a character! The Orman family has our deepest sympathy. “ Vic will be greatly missed by all of us who knew him! He was my good friend and coworker since 1964 when he was transferred to the Chemstrand/Monsanto Plant in Decatur in the Nylon Intermediates team. Vic was always upbeat and had a positive outlook at work and life. Vic and Kitty were a great couple and I am thankful to have known them those many years. Claude Rinehart Dandridge, TN
