“ We are so sorry for your loss. Vicky was one of those rare people that you always looked forward to seeing. She had that pretty, and sometimes devilish smile that would always entertain everyone. When she was in Charleston, she defined the true southern accent. We loved to hear her talk - she sounded so laid back. We can still hear her saying ""Well, Betty, ya know..."" God bless you all.

“ I was deeply saddened by the news of the loss of such a precious person as Dr. Hulsey. She's one of those rare people that have a great impact on your life by the way she lived her life. Though she experienced much adversity in her lifetime, she always focused on how she could make a difference to others and never put her own needs above the needs of others. She was a champion of the underdog and had a sweet and kind spirit. I sincerely regret that I was not able to see her and tell her how much she meant to me. I am praying for her family, that she loved so much. She will be missed by so many.”

“ Vicki was one of the first people I met as a freshman at the University of Alabama. She has been a friend for the 40 years since. Joyful, loving, kind, dedicated to the most needy of children - she was an inspiration who lit up every room she entered. I can't imagine a world without her in it -

“ So sorry for your loss. Vicky was such a good friend when we were at Bama together. Our friendship was bonded with many great card games at Mary Burke. I will remember her with many smiles as she always made the day brighter.
