“ My deepest sympathy to all of Aunt Virginia's family. She was always very loving towards me, and everyone else, as far back as I can remember. She always offered her home to me when I visited her from out of state. She even cooked, and had she opened a restaurant people would have come from far and wide to taste her delicious dishes such as creamed corn, red eyed gravy, an pecan pie. Visits to Alabama will never be the same for me. I would very much have liked to be at her funeral and had thoughts of it all day yesterday. Rest in peace Virginia. I love you.
