“ It was a joy to share being the 'matron of honor' and 'best man' honor with him at Jefferey and Katie's wedding. There are nothing but good memories we have of him, and I have heard nothing but good words spoken about him. Although no words can really help to ease the loss of what you are going through, just know that your family is very close in our thoughts and prayers.

“ In the words of a dear friend of ours .."May God reach out and comfort all who have been touched by this terrible event"". In the short time that we've known Dennis, we realized just what a wonderful and thoughtful person he was. Always offering help and working hard to ensure his efforts were meaningful. A dear husband, father and grandfather. A man taken too soon from this earth. One who offered friendship and most enjoyable company to new relatives through marriage of his son and our daughter. A Gentleman that we were looking forward to knowing better. A deep heart-felt sympathy to you who are family and friends.
