“ I knew Wayne in the early 2000's. We both raised Chickens and we loved that. Wayne would stop by my house every Saturday or Sunday morning with a cup of coffee in his hand. We would walk outside and look and talk about the same chickens we did the week before and the month before. It's what we did. Wayne didn't talk much, but when he did, it was wise and thoughtful advice. I should have listened at times. I was a Hispanic man living in the South in Somerville Alabama, But Wayne never made me feel different. I will miss him Greatly.
