“Katie, I'm sorry for the pain and suffering you and the whole family are going through right now but we all know that your Mamaw is happy and no more pain and suffering. I love you and my 3 wonderful grandchildren Haydn, Emma and Jackson. My love to you all during this very difficult time. Betsie, I'm so sorry you are having to deal with this heartache. I know it's one of the worst heart breaks you can go through. Just always know that you did everything you could for her and in the end you did what she wanted. I can't be there in person but I will be in spirit and y'all will all be in my thoughts and prayers. Joy, this all goes for you too. I'm so sorry and I know you know she is where she wanted to be. If I can do anything for any of y'all please let me know. Love Donna
